I object on the strongest of terms. This plan contradicts previous Government policy, brown field before green. There are suffucient areas of brown field sites in the Kirklees area for this type of so called development. Not on green field, not in this area, not where green field provides open space and semi rural recreational pursuits. The roads wont take increased traffic, doctors, dentists and schools in the area are full to capacity. Use the aforementioned brown sites in area of less beauty in Kirklees. NOT SHAW CROSS.
