Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This development will compound further congestion in the area at peak times increasing the generation of pollution and the loss of further pollution regenerating land (greenbelt). Local infrastructure cannot cope with such a development even with the introduction of new amenities, these have to populated with qualified staff who are already in short supply. In summary local authorities have sufficient brown field sites that are currently under utilised to warrant the destruction of valuable farm land.</p>
