<p>I would like to object to this planning application on the following grounds.</p> <p>1) damage to wildlife . The area has had major development already plus another 299 homes in the haigh wood site which has already been approved. Reducing the habitat for our wildlife</p> <p>2) The pandemic has shown that we need open spaces and walks for our wellbeing</p> <p>3) increased traffic on Dewsbury road _ this road is already really busy .As you will know its had many an accident resulting in fatalities and speeding on here is a concern. It is already a race track without more vehicles. This road has to be crossed by many if our children to get to the local school.</p> <p>4) increased traffic in general around the area. The area is already very busy and used as a rat run by commuters to get from one motorwat to another. Come tea time the roads are at a stand still.</p> <p>This development will destroy the area as will the 299 houses to be built at Haigh wood. An application which was originally rejected and brought back to the panel during lockdown so memvers of the public could not attend and was subsequently passed.</p> <p>How very disappointing that Leeds city council act in this way</p>
