Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I wish to object against the planning application on the following grounds;</p> <p>The loss and destruction of the Woodland, fields and wildlife habitats that will ensue, and furthermore the proposed development is contrary to Government guidelines regarding the preservation of Green Belt. In my opinion there are very many Brownfield sites in the Kirklees area which should be used for remediation instead. The development will also inevitably lead to greatly increased levels of Traffic that already, in any case, exceed permitted levels of noise and pollution. A very brief site inspection would prove the veracity of this statement. Already, at present, Heavy goods vehicles pass our Property from approximately 6 in the morning and continue throughout the day until well into the evening. These make an appalling noise. In conjunction with cars and other vehicles this makes for incessant traffic throughout the day which will only be exacerbated by the proposed development.</p> <p>The scale of the plan indicates a long term disruption to Residents would also be caused.</p> <p>In conclusion the Plan as submitted is viewed by this correspondent as wholly unacceptable and should be turned down.</p>
