<p>I wish to object to this planning application.</p> <p>I object to the destruction of the green belt/green space for the building of houses and business/industrial units.</p> <p>I object to building so close to 2 Ancient Woodlands, Dum Wood and Dogloitch Wood, putting both the woods and local wildlife at great risk.</p> <p>With all of the uncertainty of Brexit, I object to the loss of farmland at a time when this country needs to become more self sufficient.</p> <p>I object to the noise and air pollution that will be created by such a huge rise in population.</p> <p>I object to the additional traffic that so many new dwellings and business/industrial units will generate and the effect this will have on the already very busy local road network.</p> <p>I object to the lack of dedicated provisions for secondary education, medical care, emergency services etc. The existing facilities will not be able to cope with such an increase in population.</p>
