<p>This area is a great place to walk and it would be a tragedy if the whole planning for this surrounding area goes ahead. It would have a terrible effect on the wildlife and open green space that we enjoy. It is a popular area for people to walk with their children in a safe environment. Please do not agree to this planning application. It would have a negative impact on our community for the whole area. We need to protect this space for our health and mental well being.</p>
