Type of comment: An objection
<p>I would like to put an objection in. The amount of traffic that will be using Leeds Road will be catastrophic, this will obviously cause a great deal of pollution due to the proposed traffic lights on this stretch of dual carriage way ,ie standing traffic. The land which is being proposed for building industrial units is on green /farm land. This area is rich in wildlife what a crime it would be to desecrate this area robbing walkers and people who enjoy this green and pleasant land.</p>
