<p>We strongly object to the proposed development of land off Chidswell and Heybeck Lane. These are as follows</p> <ol style="list-style-type: none"><li>1. The devastation of green belt .</li><li>2. The loss of natural habitat for the wild life, we have wonderful species of , and many more living in the fields and woods</li><li>3. The noise and pollution to local residents from construction traffic will be immense and will affect the wellbeing and health of all.</li><li>4. There have been many serious accidents (some fatal) on Leeds Road and the added traffic from this development will cause even more problems to an already dangerous and congested area.</li><li>5. Many residents will remember when open cast mining was proposed some time ago, nobody wanted that, so a magnificent campaign was fought and won.</li></ol> <p>Lets do this again with this devastating proposal. PLEASE THINK AGAIN;</p>
