Ref No. 2020/92331

Dear Sir/Madam,

With reference to the above planning application, I am writing in objection to it.

We live [redacted]

Scotthol Lane is in normal non-Covid conditions the volume of traffic is horrendous. The traffic times have sometimes made it impossible to sit out in our front garden. Dewsbury Road is so very busy & potentially dangerous. That any more houses, businesses etc will make things far worse for people.

The land designated for this planning application is a beautiful open space for wildlife, for people's mental health & will be an environmental disaster if the building plans go ahead.

There are many brown sites which can be utilised for this, instead of taking more green belt land.

Thank you,

Yours faithfully,
