Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>from my daughter's home in Gawthorpe to the unspoiled beauty of Dogloich Woods. . 3 generations of a family taking exercise, spending quality time together and enjoying nature - knows the sounds of different birds and recognises different plants from the time we have spent on these walks observing and talking about nature. We see over the site. and glorious blue bells.</p> <p>This proposed development, combined with the Heybeck one, will destroy this area of outstanding beauty. My biggest concern is the impact on the woods from all the new residents around them. The current isolation of the woods if what has maintained their pristine, natural condition for centuries. It would be gross negligence on the part of the Council for these plans to be approved. Especially as the Council has been made aware of the damaging impact in the YWT response. both suffer - I am also concerned about the impact on air quality. Our current walks to take exercise and fresh air would not be the same if the 2 developments go ahead - factories and cars in the place of open fields and country side. .</p>
