<p>The local area has taken on far more new builds than is sustainable. Residents are suffering with over subscribed schools, 4 week waits to see the doctor and really bad traffic. Leeds road is already too busy. I am frequently on buses into Leeds which are 45 minutes late due to the traffic on Leeds Road heading to Tingley Roundabout. Adding even more cars will just make it even worse.</p> <p>During the building process heavy machinery will make the road muddy and dangerous to traffic.</p> <p>The land as it is provides habitat for wildlife and the walks available contribute positively to local residents' mental health.</p> <p>Please don't take away another pocket of greenery. If anything, the pandemic had shown how precious all green land is.</p>
