Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Simply please do not approve this development. The proposed area is of natural beauty. The number of people who exercise in this area is so vast, the area is a great space for peoples mental health and general health. There are kingfishers in this area, crested newts, deers, owls, all would be killed as they environment would be destroyed. The environmental impact would be significant with increased flooding in the area as the green land use to soak the rain would be gone. The traffic on Owl Lane, shaw cross, is presently causing huge traffic delays and long ques if this development goes ahead it will add to the huge demand already using this road. You have authorised new builds on owl lane and across on challenge way, there is plenty new developments on this area without the supporting infactstruture. Please leave this green belt alone. I state green belt as it was green belt prior to this development proposal. Please revert to green belt and do something to support the community views and support the environment.</p>
