<p>This will bring Leeds Rd to a standstill several times per day, we are currently seeing several developments in the immediate area, not yet built and already causing so much traffic it's dangerous. Queueing traffic belching pollution straight outside Shaw cross nursery, and now we are having a McDonald's built there too!</p> <p>Leeds Rd has a terrible recent history of major crashes and the outlook of so much more traffic is a clear indicator that there will be more crashes, with the Owl lane and Challenge way houses already causing problems I feel this latest development is going to multiply traffic by around 8 or 9 times and it just cannot cope, we cannot cope!</p> <p>Stop this development please.</p>
