User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	<input type="checkbox"/> Yes
There's obviously some brown envelopes floating around, it should be investigated as they have just built a super estate on greenbelt land with no consideration for objections... I suspect this will sail through nicely as the comments from so called heritage groups already suggest this planning application will go through.. They couldn't give a jot what residents think I think this is already in the bag corruption at its finest
