<p>Strongly object to this!</p> <p>Not only will it cause more traffic, noise, pollution and interfere with wildlife, this is the only place left around an already busy road/town to walk.</p> <p>We often use this to walk out dog and walk with friends which is good for health and well being.</p> <p>This is the only quiet spot we are able to walk that is safe and free of the ridiculous amounts of cars that are already on the road!</p> <p>Leeds road itself is already ridiculously busy and at a standstill at various times of the day, also the amount of accidents on this road already is ridiculous!</p> <p>In the past we have been unable to get home from work, leave our house due to this!</p> <p>Ruining a peaceful place that is an escape for many is ridiculous! This town can not accommodate that many more people or cars on the road!</p>
