To whom it may concern,

I would like to object to the planning development of 2020/92350 & 2020/92331. Me & my family use this land on a weekend to exercise our dog. We love this green space as we are able to let our dog enjoy a decent run around in safety near no roads. The peace and quiet allows us to relax and enjoy the wildlife & wild flowers around us.

The planning development will increase pollution & noise in the area, and take away one of the very peaceful walking areas that we have left.

We are a hard working family, who benefit from this green land.

I look forward to hearing from you.
Kind regards
