---

I would like to bring your attention to a few points

Permanent loss of agricultural land, domestic food production is good quality and has lower food miles than imported food and represents a productive use of land.

Displacement of wildlife, namely yellow hammer, barn owls and skylark. Where are they going to go.

Destruction of land which helps absorb rain and minimise flooding.

Destruction of green space for recreation and good mental health of local people.

Thanks

. 342 Leeds Road, Dewsbury WF12 7QD
