<p>This suggestion is barbaric and appalling and we have been fighting this campaign for 12 years. This is our countryside, our nature, our wildlife and our wellbeing that the Church of England want to destroy. I am sickened by this proposal.</p> <ul style="list-style-type: none">• Destruction of countryside used by farmers, walkers and families, even more so since lockdown.• The wildlife. There are birds of prey (see red kites all the time), Kingfishers, Barn Owls, Buzzards, Skylarks, Bats, Hedgehogs, Squirrels, Hares, Rabbits, Foxes, and Deer. The list is endless with all the insects and mice and voles etc. Surely these should be protected.• Already too many cars and congestion and not just at peak times. Isn't the MacDonalds enough for us to contend with and the other housing sites on Owl lane, Grange road, and Soothill?• Pollution levels will rocket in this area. 1354 houses x at least 2 cars plus all the cars coming to work in the employment development and the school run cars. That could be around 5000 extra cars in that area alone.• This will also lead to more litter.• This is our countryside. Is King Charles aware of this project?• This needs to stop and it needs to stop now. The greed of people, especially when it comes from so called religious people destroying our beautiful land and our creatures in it is absolutely disgusting. <p>This area is absolutely beautiful, this is my special place, my mindfulness. Brought my children up playing in the woods and fields. The same for many other locals in this area.</p>
