Postcode:	

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>We currently live in an area with good air quality. This development will change that for the worse. It will add thousands of extra cars per day on local roads. It will cause irreversible damage to our environment. It will destroy the habitats of the diverse wildlife species that live there. It will affect if not kill the 2 ancient woodlands. It will permanently take away our countryside and green belt. It will adversely affect our children's futures.</p>
