<p>Loss of Good agricultural land at a time when we should become self efficient.</p> <p>Loss of wildlife including including endangered species, birds of prey, Bats, deer. Loss of Green barrier between 3 large areas will impact all around the sites Removal of OBJECTION from CPRE & Woodlands Trust from From Planning Portal (WHY)</p> <p>Biodiversity Figures suspiciously change significantly between a previous and recent report?</p> <p>Noise level will rise significantly.</p> <p>Air quality will suffer especially for those on Leeds Road.</p> <p>Traffic volume will significantly increase across all build sites from Domestic to Industrial.</p> <p>I live on the lowest part of Leeds Road and have a stream running under my house already. With the loss of soak away ground that will increase the water table to effect my house even more.</p>
