<p>I cannot understand why the council are considering an application which will lead to the permanent loss of agricultural land when the quality of the land has not been evaluated.</p> <p>We are in a climate emergency and the erection of all these houses and industrial units will lead to the decimation of the land used by Sky lark and yellow hammers which breed on the land in large numbers. Then there are the bats - who will protect them when their habitats are destroyed?</p> <p>We need to protect our green spaces for the use of families and children and not build on them.</p> <p>Leave it alone!</p>
