Subject: Re: Objection to chidswell site

Date: 15 November 2022 12:37:31

I hope this email finds you well

My name is .

I live at 14a Heybeck lane the opposite side of the road to the proposed development.

Planning references

2020/92331

Heybeck lane application number

2020/92350

Can you please take this email as a written objection to the above development.

Reasons include

The area is all ready far too overcrowded to take this large development with similar developments going on in the area.

There's been a massive increase in vehicles in the area and this will only add to the problem. Pollution traffic etc etc

Kind regards
