<p>Valuable green space should not be destroyed for the sake of the Church of England's greed.</p> <p>The environmental effect on the local community will be unbelievable , traffic around this area is already like a car park come 5 o'clock anyway , is the entire road system around Leeds road / owl lane going to be re designed? I doubt it.</p> <p>Dogloitch wood will be torn up by out of control children on electric motocross bikes they got for Christmas</p> <p>There are also known rare species such as kingfisher which have been proved to live in this area, is this just going to be ignored? Probably, profit first remember gents</p> <p>Profit profit profit , that's all it comes down to.</p> <p>It's disgusting what you are doing to our local land and you should be ashamed as an organisation.</p>
