<p>I strongly object to this planning application because it will cause enormous presure on all the roads around this area. Also the lack of Doctors, dentists and school places in the area has not been properly addressed for all the additional people this plan will acomodate. This plan will destroy the natural habitat of the wild animals and birds that are attracted to the area. The extra polution in this area will increase breathing problems for the young and old. Please give this application a big NO.</p>
