Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>This development would be a travesty for the varied wildlife and ancient woodland which would be lost forever. This cannot be in the interest of anyone who wants to ensure climate change objectives are achieved and is contra to peoples health with increased traffic and poor air quality for the children and elderly who are prone to illnesses due to air pollution. This area has a large population of elderly and children. Having walked through the fields in this proposal we experience an uplift in our well being from the number of bird species, bat noises and the numerous fauna and flora that can be enjoyed by us and others. My concern would also be the impact on surrounding areas due to flooding, soil erosion, and land movement with the removal of the trees and fields.</p>
