Dear Sir / Madam

My name is \_\_\_\_\_, my address is 44 Thornleigh Avenue Wakefield WF2 7SF.

I wish to object to the proposed development of planning applications 2020/92331 and 2020/92350 for the site adjoining Leeds Road and Gawthorpe village I use the roads around the application site regularly and also use the beautiful amenity of the area regularly.

I object on the following grounds:

- 1 loss of amenity
- 2 Traffic impact
- 3 Impact on local infrastructure Roads Schools etc

I use the road network regularly and Owl Lane and Leeds Road also roads into Batley and Dewsbury are all already massively congested already with the development that has taken place, and this development will only add to that over use.

I also use the amenity of the open fields both visually and walking it is such a pleasure to have this beautiful amenity on our door step and the financial value cannot be underestimated for our mental health keeping people out of hospital care.

Regards
