

Your Ref 2020/92331
LAND EAST OF, LEADS ROAD,
CHINDSWICK, SHAW CROSS -

The Bungalow,
85, Chidswell Lane,
Shaw Cross,
Dewsbury
WFA 75F

Dear Sir,

Would you please think very
carefully before passing this planning
application -

The volume of traffic is already at
breaking point

It there is going to be 1,354
dwellings that means at the very least 1,354
vehicles also the 200 houses being built
on the Lockwood site October again at
least 200 cars so that means an extra
1,554 vehicles. How on earth will the roads
cope with this

At peak time there are already queues
from Shaw Cross to way past Sykes Farm
Drivers queue up Chidswell Lane to cross
Shaw Cross. The pollution is already really
bad.

I thought we were supposed to be
protecting green spaces and precious farmland
would you please tell me what green
belt actually means)

I don't believe long we will have no green spaces left in Devonshire except the Park, which I'm told isn't a very safe place to be.

There are so many things against the application - have you thought about the wild life?

I ask you to think if this was happening in my area would I like it? Once the land is built on, it's gone for ever. Do you want this on your conscience?

I am begging you please think again and refuse this application.

Your Sincerely
