Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I'm already congested roads.</p> <p>Regarding the wildlife, we have seen a Kingfisher by the stream that runs by Dogloitch woods. There are pheasants across the whole area. Early evenings in Summer we have heard Barn Owls and seen many bats across the woodland and fields. There are Red Kites in the day time and we have heard Woodpeckers in Dum Wood also. These animals will have their habitat disturbed, they will be scared away and the fields they hunt and forage in will be gone.</p> <p>In addition to the above our infrastructure is not set up for the amount of houses proposed. Our schools are oversubscribed, the roads congested and you can not get a doctors appointment for 3 weeks.</p> <p>Green space is sparse round here. Currently when we look out of our upstairs windows at the back of the house, we can see fields that connect both sets of woods. If this is built upon, the value of our house will inevitably be impacted by these proposals especially since our other green space by Haigh Woods is currently been built on</p>
