Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I am absolutely devastated to see that the application attached remains in place to build on Greenbelt and destroy the area for the wildlife and will also destroy the habitat for all the flora & fauna in the wooded areas</p> <p>I walk our dog around this beautiful area often. Not only is it a beauty spot, amongst other things it:</p> <p>I am a Beekeeper and my bees forage on all the land within the area, and this produces lots of honey which is mainly nectar from wild plants such as Blackberries, and trees in the wooded areas not forgetting the weeds. My bees this year produces ocer 300 lbs of Honey just from this source.</p> <p>The area can not support the local people with schools and medical facilities already, and it would cause even more problems in the area.</p> <p>This doesn't even begin to address the air pollution issue which will increase exponentially with all the extra cars which will come with the industrial units and new houses. Leeds Road already turns into a car park at peak periods, and as I live on Leeds Road I should know. especially between 3pm & 6pm.</p> <p>The new developements on Owl Lane have already caused similar problems and are only half finished.Owl Lane, and the new McDonalds will only exacerbate an already disastrous situation.</p> <p>I object in the strongest possible terms to this development. Kirklees should be ashamed of itself.</p>
