<p>Joni Mitchell wrote " you don't know what you've got till it's gone " (re putting up a parking lot)</p> <p>This is what will happen if planning approval is given to this application</p> <p>No more trees ,birds ,bees ,butterflies ,flowers ,nice area to relax and walk in .</p> <p>Considering what is happening with the environment ,well Kirklees council should look at itself and refuse planning permission by doing its bit for the planet ,particularly this lovely unspoilt area .</p> <p>How are existing residents going to cope with extra traffic in the area , what about the sewage systems , over flow within schools</p> <p>The list seems pretty endless</p> <p>My daughter n granddaughter live in Gawthorpe and regular go for walks within this area this helps with their mental awareness plus both love birds ,trees ,flowers etc they would lose this alongside hundreds of residents</p> <p>I am a passionate birder ,gardener, environmentalist etc</p> <p>And enjoy my walks with my family around a wonderful area</p> <p>Please recommended refusal of this planning application to build houses on a natural resource</p> <p>Failure to do so will prove yet again Kirklees council is not a environmental aware council</p>
