<p>There are 3 housing developments in this area at the moment. Two on Owl Lane one which is complete the other is in progress. Houses are going up for sale but no occupants the other development is down Challenge Way again houses are being sold but no occupants yet. The traffic at the moment is horrendous so when these houses have occupants this will result in further congestion and pollution. This is not taking into account the proposed plans for Leeds Road east.</p> <p>There also has been a lot of car accidents on Leeds Road, some which have resulted from residents trying to gain access to their property/drives. Also Chidswell Lane is used as a rat run with drivers being so impatient they will use the garage as a short cut.</p> <p>The proposed development will endanger lives pedestrians/cyclists and road users.</p>
