Subject: Objection to development at Chidwell and Heybeck
Date: 26 November 2022 15:21:25

From 17 Wellesley Road, Westgate on Sea, Kent, CT8 8 DR,

Dear Sir/Madam

I am writing to object to the housing development at Chidwell and Heybeck. We need to protect our fields as we need them to ensure current and future food security we can not rely on increasingly higher levels of imported food. The conflict in Ukraine has shown this. Without the ability to grow food in this country we are putting future generations at risk of starvation, with the increasing impact of climate change.

The UK already suffers from lack of tree cover that stores carbon and provides habitat for biodiversity. We should be preserving precious woodlands. Not burying fields and woodland under housing developments. Once it's gone it's gone we can not get it back.

Thank you for listening to my views.

Kind regards
