I object that planning officers intend to approve the Heybeck decision without presenting before their own Strategic Planning Committee, this decision MUST be put before the Strategic Planning Committee, your officers decision to bypass Kirklees Councils own committee goes outside of its policies & procedures and does not align with its democratic responsibility to the local community which it serves. Dum and Dogloitch ancient woodlands are not appropriate sites to offset damage caused by the development. These woodlands are an established ecosystems and provide irreplaceable habitats for wildlife and green spaces for people to enjoy and help with physical and mental health, there are fewer places within Kirklees where this can take place.
