<p>The original section 106 document was kept from the public and the council is again proceeding to push this through quickly without the Strategic Planning Committee. Dum and Dogloitch Wood both Ancient Woodlands and Local Wildlife Sites, and not appropriate sites to offset damage caused by the proposed development. These habitats ARE NOT low biodiversity value; these precious ecosystems and habitats cannot be replaced.</p> <p>125 year old tree was destroyed along with bat roosts earlier this year. Is the definition of enhancement?</p> <p>Leave our woods and ecosystems alone.</p>
