<p>So the hard working Farm is going then? I live on Heybeck Lane! We paid a lot of money for solar panels, for the council to allow houses to block them off?? The roads round here are gridlocked on a morning and evening, race tracks at night!!! Disgusted if this gets passed! This area should be saved! There's enough old buildings to be converted in to homes! Enough is enough!! These roads can't take anymore!</p> <p>We have a wonderful abundance of wildlife that will be destroyed!! This shouldn't be passed, for the sake of the schools, GP surgeries, roads, and the wellbeing of the general public, whose health will be impacted by the fumes from the gridlocked roads!!!</p> <p>Please please think seriously about the biggest impact on the people you serve!!</p> <p>Many thanks</p>
