Type of comment: An objection
<p>to enjoy exercise in a safe Heybeck Lane is already a very busy road which becomes even busier at peak times ,there would be so much extra traffic causing more noise &amp; air pollution if this application was granted. The well being of residents is helped greatly by having many walks through local farm land giving people an opportunity to walk &amp; exercise in a safe environment to enjoy the wonders of nature all the beautiful tress, hedge rows as well as the bird &amp; wild life.</p> <p>We enjoy walking in this area on a daily basis &amp; this has helped us greatly while we have been living through covid 19.Our local schools, dentist, doctors are all full to capacity.This planning is contrary to the Government National Planning Policy Framework which supports health,social &amp; cultural wellbeing.</p> <p>Heybeck Lane has a mixture of houses &amp; bungalows which will be overlooked by the new houses as they will be close to our boundries &amp; causing us to loose our privacy as well as lovely views from our gardens.If this planning application is granted it will cause so much distress to so many people at a time when everyone is trying to cope &amp; live through covid 19</p>
