Reasons I object - Health threats to children from pollution due to thousands of extra vehicles using the A653 The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity. Local schools are operating at capacity with no plans by Kirklees to build new schools. Doctors' surgeries and public amenities would be unable to cope with such a rise in population. The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.
