I live on HEYBECK Lane a quiet area surrounded by nature which if your plans go ahead will taken from us to leave us surrounded by houses which is worrying as many of us live in bungalows so we are bound to be overlooked. We go walking regularly around the fields & foot paths a privilege which many people don't have!!! The trees & hedgerows the birds & wildlife are all amazing & wonderful to see. This will all be gone if 181 houses are built. HEYBECK Lane is a busy road taking traffic from Soothill Lane , Leeds Road, Baghill Road the thought of more traffic using our road is an accident waiting to happen. The pollution & air quality will be of a much poorer quality due to traffic & building work. Living through Covid 19 has been difficult enough without the thought of this major disruption to our beautiful area . The local farms are going to have their livelihood changed beyond our wildest thoughts. Can I please ask that this planning application is NOT allowed to go ahead.
