Address of the site or building:	Land south of, Heybeck Lane, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I object to this planning application for the following reasons. Heybeck Lane and surrounding roads cannot safely cope with any more vehicles. The extra traffic from this development using Heybeck Lane would be dangerous. The road is unsuitable for this type of expansion. Pollution from thousands of extra vehicles using these already busy roads would be a threat to health for all members of the community. The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds. Building on Chidswell will create a massive urban sprawl with communities losing their identity. The character of the area will be forever negatively changed. Local schools are already operating at capacity and doctors' surgeries and public amenities would be unable to cope with such a rise in population. The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing. The loss of this land and the wildlife it supports would adversely affect the physical and mental health of the community. The health benefits of green spaces cannot be underestimated. The local community will not benefit from this development in any way.</p>
