Address of the site or building:	Land south of, Heybeck Lane, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
Part of the plan is to demolish a house so access can be gained to the land behind it. This will create the following. The road will need to be closed for a prolonged length of time. There will be noise, dust, pollution possible interruption of utilities. All of this will cause a massive inconvenience to the residents of Heybeck lane especially the ones that neighbour the proposed house to be demolished. The plans show the new proposed road layout to the access site. There will probably need to be parking restrictions (double yellow lines) outside numerous properties on Heybeck Lane. Whilst this new road layout is being created the residents of Heybeck lane will have weeks of noise dust road works possible interruptions of Utilities all of this will cause extreme amounts of stress. Once complete they will after endure a massive increase in road traffic causing a high level of pollution resulting in future poor health.
