Address of the site or building:	Land south of, Heybeck Lane, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I object to this application. This site has been used by many people over the years. We don't have much green belt area to use in our area with all the buildings that have happened in the last 5 years. Here we can use it for various hobbies walking cycling, jogging as well as taking children out for a day to see how animals live and without having to pay. Children seem to get a lot of pleasure from the simple things in life why spoil it. Been in the forest and been out in the clean fresh air is better than been in a built up polluted area. We have enough of that in our county already. People have moved here from the cities to give there children a better Life and understanding of country side living.</p> <p>The roads can't cope with the volume of traffic, currently we have all been stuck in traffic at shaw cross, haybeck lane,dewsbury road. This pollution isn't good for anyone.</p> <p>School, doctors surgeries can't cope, we have to wait at least a week to get in. How do you propose to sort them out.</p> <p>We don't need anymore houseS, use the ones that are empty and going to ruin. Also why not use all the industrial estate that have been laid empty for years. I can't understand why these have been allowed to be built and never used, it's not like they are going to be used now</p>
