Address of the site or building:	Land south of, Heybeck Lane, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
Please don't let this happen! We don't have much countryside left in this area to enjoy any more. Why haven't we received any communication regarding this when we will be directly affected? Is it because we are on the border and come under Leeds rather than Kirklees? Thousands of people living on the border like us probably aren't even aware of the current plans but will be directly affected. I think it's disgusting that we haven't had any mail regarding this at all. I would like to object for the following reasons: The roads are heavily congested and we already have too much traffic and noise. Pollution is a huge concern for me. It's almost impossible to get an appointment within a reasonable time at the local Doctors and dentists. The hospitals can't cope either. The local primary and high schools are at full capacity. I often walk over these fields and through the woods with There is so much natural beauty and I have seen many wild animals, birds, and insects including There is evidence of otters and badgers in the area. The natural stream probably has there too. Please, please DONT allow this
