I wish to object,to ,this development of181 dwellings with infrastructure,This area is noted for its Wildlife Habitats.The two Ancient Woods of Dum and Dogloitch,are all linked by Hedgerows, Arable Fields,and Hey Beck ,which are important areas for Our much declining numbers of Skylark,Native Grey Partridge, Yellowhammers,along with Kingfisher.Raptors including Red Kite,Common Buzzard,Kestrel, Sparrowhawk,also Barn ,Tawny and Little Owls.Greater Spotted and Green Woodpeckers.This development and infrastructure will decimate and fragment this very important Wildlife Corridor.
