Address of the site or building:	Land south of, Heybeck Lane, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This is already a very built up and congested around which does not need another 131 houses being built on it. It is part of the land which separates Leeds / Wakefield and Dewsbury - the area will loose it's green space if this is allowed to go ahead. I cannot understand why the council are considering an application which will lead to the permanent loss of agricultural land when the quality of the land has not been evaluated. We are in a climate emergency and the errection of all these houses and industrial units will lead to the decimation of the land used by Sky lark and yellow hammers which breed on the land in large numbers. Then there are the bats - who will protect them when their habitats are destroyed? We need to protect our green spaces for the use of families and children and not build on them. Leave it alone!
