<p>To whom it may concern,</p> <p>I am emailing to lodge my objection to the proposed development of the former greenbelt at Chidswell & Heybeck by the land owner (Church Commissioners for the Church of England).</p> <p>We live on Heybeck Lane, i object to this application</p> <p>. Traffic will increase around woodkirk to shawcross this road is already too busy and more accidents will increase, traffic from Tingley roundabout and to Dewsbury , Batley areas</p> <p>. we live directly behind the Woods for the last 7 years and while living here we have spotted various wild life Bats in the summer months, Owls fly across the fields behind our house into the woods and fields up to Shaw cross, various birds of pray are seen daily Kites, kestrels and many more.</p> <p>. The green belt should stay Green belt various other sites are been developed around this area, and the green belt is getting less and less, you have to consider to keep this green belt for future generations and not develop for greed and money.</p> <p>. the idea of a industrial units been developed in this area is a disgrace, there are other areas in the Kirklees area's that can accommodate industrial units and HV goods vehicles .</p> <p>Please consider this and all other comment that are against this application.</p>
