Application number: 2020/92350	
What is the application for?:	Outline application for residential development (Use Class C3) of up to 181 dwel
Address of the site or building:	Land south of, Heybeck Lane, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
There are many reasons as to why this plan is not a good idea. The effect on trees and the landscape will be adverse.....so much green space has recently been developed in this area...this space should be preserved for nature. It is criminal to keep destroying green spaces. The character of the area will be adversely affected as it will become a vast housing estate and there are simply not enough public services in the area for the population at present, to add more people into this crowded space will cause problems for all the services....schools, medical etc. As an area we have had to endure noise and disturbance enough from the present developments on Owl Lane we have suffered with this for a considerable time....surely we are due a period of 'peace'. Finally there will be an adverse impact on highway safety and traffic with the volume of vehicles on Leeds Road increasing dramatically. This is already a very busy road with long traffic queues at peak times.
