<p>I have walked my dogs in this area for over 30 years, it is a natural park green space that is beneficial to residents in the area, in fact it was a medieval hunting park as many of the names in the locality refer to.</p> <p>The fields and woodland provide habitats for numerous bird species and animals all this will be effected by building.</p> <p>it also will have a detrimental effect on the surrounding roads, as it is not within walking distance of any amenities and will leave residents in any new developments relying on cars to access them.</p>
