

Blackmoorfoot Road Huddersfield Missing

Northern Powergrid Holdings Company

The position of our equipment is shown in this plan as accurately as possible. However, it may have changed since the plan was produced. Therefore, the position of our equipment and those in service cables which may not be shown should be established on site. Electrically correct cable not owned by Northern Highway Holding Company may be laid in this area and may not be shown on this plan. Where private cables are shown, the information may not be regarded as accurate and should be used for guidance purposes only. In all cases, accurate information should be obtained from the owner of such cables prior to the commencement of work on site.

This plan shows those pipes owned by Northern Gas Networks or the relevant Gas Distribution Network in their roles as Licensed Gas Transporters (GT), Gas pipes owned by other GTs, or otherwise privately owned, may be present in this area. Information with regard to such pipes should be obtained from the relevant owners. The information shown on this plan is given without warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, syphons, stub connections, etc. are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by Northern Gas Networks, the relevant Gas Distribution Network, or their agents, servants or contractors for any error or omission. Site digging practices, in accordance with HSG47, must be used to verify and establish the actual position of mains, pipes, services and connections. The information included on this plan should not be referred to beyond a period of 28 days from the date of issue.
