Address of the site or building:	Land off, Blackmoorfoot Road and Felks Street, Crosland Moor, Huddersfield, HD4 7AD
Postcode:	

User comments

Type of comment: An objection
This application is going to change the whole area. The woodland and moorland will be lost. What is a moorland area will become a small town. I see some trees will be retained but not all. We need to keep all the mature trees. The moorland must be protected. We are in a climate emergency we have to stop destroying areas then putting a few saplings in, in place of mature trees. More cars on the roads. Why not just build where the factory is and leave the trees and moorland. Kirklees Council has declared a climate emergency and then they allow destruction to go ahead.
