1. Concerned about privacy for the gardens and houses behind which will be totally overlooked by the new 3 storey houses. 2. Concerned about the increase in noise in the area due to the increase from one house/garden to 3 gardens/houses in the same space. 3. 3 floors is not in keeping with the surrounding houses. Surely building them as 2 floor semi detached properties would be better matched to the properties that are next door and all along that side of the road. 4. Devastated that the beautiful old Oak tree and Willow tree have been removed. They were essential to the wildlife in the area. Why have they been removed before planning permission has gone through?
